As you may be aware of the complexities and traditions of Indian Cuisine, we have tried our best to counter this with as many food friendly wines as possible to complement the arrays of flavors you will discover in our menus. Here at Azitra, we are pairing food and wine seriously and believe that wine is excellent complement to Indian Cuisine.

Our wines are stored in a temperature (57 Degrees Fahrenheit approximately) and humidity (65% approximately) controlled cellar for your enjoyment.

Should you like the wine to be served at a different temperature than what it was presented to you at, please let us know, we will try and adjust its temperature to best suit your needs.

If there is a wine you would like to be decanted prior to your arrival, please call our Restaurant Manager ahead of time and we will be happy to decant it for you. (A Credit Card guarantee is required).

We, here at Azitra, take pride in our wine program, if there is a wine you think you would like to see on our list, please let us know, we will try our best to obtain the same or a comparable vintage or wine for your next visit.

Vintages are subject to change, as we refresh our wine cellar on an ongoing basis. While we do all our best to have all the wines on the list available, occasionally we may be unable to provide specific wine temporarily.

Corkage Policy: We are pleased to open any bottle of wine absent from our list and we are unable to obtain it for you, at the corkage fee of \$25 per 750 mL bottle.

We use Riedel stemware for our wine service.

Wine Director: Harmandeep Hundal
